SALE TO BE HELD AT
CRESTON SALE PAVILION, CRESTON, IOWA

Monday, November 22
1926

ANNOUNCEMENT

We take great pleasure in extending to all lovers of good cattle who wish to produce both beef and milk, an invitation to our auction Monday, November 22, 1926, at the Creston sale pavillion, Creston, Iowa. Sale to begin at one o'clock.

We are listing for this sale the best lot of cattle we have ever offered. The breeding is of the best as will be seen from a study of the herd sires listed on the following page.

This offering includes many of our most dependable cows as well as many of our best heifers. They must be seen to be appreciated. These cattle are not carrying surplus fat, but are ready to go forward and make the best of their new environment.

We do not believe there has been a time in the last ten years when the hope of profit from investment in pure bred Shorthorn cattle has rested on as good a foundation as now. See these cattle on sale day.

TERMS AND CONDITIONS

All bulls are guaranteed breeders if not allowed to run with herd. Cows safe in calf or with calves at foot show evidence of breeding and no guarantee is given. All other cows and heifers sold as single lots are guaranteed breeders.

Herd is federally accredited and all animals are sold subject to 60-day retest for tuberculosis.

Certificates of registry and transfers of ownership as well as applications for calves at foot or in dam will be furnished with each lot sold. No stock to be removed until settled for.
